Good Afternoon Coomie High,

Year 12: It is very hard to believe that the year is nearly half over. For our Year 12 students the year is two thirds finished with our students about to enter. For all Year 12 students, we are determined to mitigate the disadvantage that COVID 19 has delivered. With the Departments support we have ensured that all students have access to at-home technology, as far as we can. The Department has also devised online support modules to support our HSC students available on from www.doe.nsw.edu.au

Assessment Information: The school has had to readjust our assessment schedules as a result of Corona Virus. Paul Celegon, our Head Teacher responsible for compliance and Pathways has done a mountain of work in preparing these documents. The Stage 5 document is almost ready for release and will be accompanied by an explanatory letter. I am in the process of explaining this to all of the Stage 5 classes individually. If you would like further information regarding Year 10, 11 or 12 Assessments of a general nature, please do not hesitate to contact myself or Paul. For more specific concerns, I would ask that you direct enquiries to the relevant classroom teacher.

School Photos: School Photos will be taken on Monday 24th August. All notes and money will needed to be submitted on the day. Alternatively, you are able to pay online; instructions are on the envelope. Should you require another envelope, please contact the front office and direct you enquiry to Larissa Crammond.

New Staff: This week Paul Davis joined our team as a School Learning Support Officer in our new learning centre. In a very short space of time, he has already had a wonderfully positive impact! The students have responded to his gentle and respectful approach. Paul has been a great addition to the team.

School Reports: School reports for Semester 1 will be an amended version of previous years. There have been delays due to issues with our service provider not being able to provide the reporting template within our contractual arrangements. Reports will be available early in Term 2.

Principal's Meeting: Today I have been in attendance at the Far West Principal's Network Meeting. It has been a rich day of professional learning. We have covered: Developing leadership potential within our schools; improving reading outcomes for students in the Far West; Participation in a qualitative research project in partnership with Canberra University, presented by Professor Phil Roberts; Rural and Remote report from Laurie Campbell, Director Rural, Remote and Pathways Unit.

SRC reminder: Students can nominate themselves or their peers. To do this, please speak to a teacher who will work with you to complete the nomination form. If you wish to nominate someone, this person must be in your year group and you must confirm the nomination with them first. If you have any questions about the SRC, please come and talk to Miss Ryan or Mr Harrison.

Students and Staff of the week:

Year 7: Allan Crombie for consistent application to his studies in Drama nominated by Miss Leon.

Year 8: Maddison Brennan for consistent application to her studies in English nominated by Miss Leon.

Year 9: Steven Clarke for leadership in PDHPE nominated by Miss Norton.

Year 10: Holly Bysouth for consistent application to her studies in English nominated by Mrs Batchelor.

Year 11: Oliver Carter for citizenship in Industrial Technology nominated by Mr Astill.

Year 12: Brandi Oliver for consistent application to her studies in English nominated by Mrs Batchelor.

Staff: Michelle Graham for all her ongoing hard work in our Agriculture grounds.

Please email any suggestions to me at Stephen.harper@det.nsw.edu.au to improve this service.
Have a safe and happy week everybody!
